

In TODDLER'S we strive to be....

PSED

Fantastic friends that grow friendships that models empathy, kindness and have passion in sharing their experiences in the world and explore their unique personalities.

C&L

Confident communicators that understand their voices are valued and have meaning. Learning new words through everyday play and guided by daily routines.

PD

Daring explorers that are always willing to have a go when faced with a challenge and working together to create a new and exciting outcome. Use hand coordination supporting fine and gross motor skills.

LITERACY

Imaginative storytellers who enjoy exploring the world through singing, reading, props, imaginations and real-life experiences with both familiar adults and friends. Experiment with mark making use a range of materials boosting hand and whole-body strength.

MATHS

Mini mathematic minds who show curiosity around, shape, volume and size. We start to use our basic number knowledge in play, stories, rhymes and problem solving.

UTW

Incredible investigators who explore the world around them, share ideas and are full of curiosity supported by the key people around them.

EAD

Mini artists who let their imaginations run free. We are resourceful yet creative when expressing ourselves. Experiment with sounds and music using the rhythms around them.

CIRCLE TIME

Loveable listeners who love to interact with and get to know their friends. Speak freely and confidently as part of a group by sharing experiences, thoughts and feelings. Become super sharers and learn to take turns.
